***PROJECTS APPROVED BY THE BOARD OF DIRECTORS FOR CORPORATE SOCIAL RESPONSIBILITY FOR THE YEAR ENDED 31<sup>ST</sup> MARCH, 2024***

**Focus area of Engagement-**

For a company like Highway Infrastructure Limited, there are several opportunities to increase and deepen social impact at scale and generate value for all.

Highway Infrastructure Limited has focused on ***Eradicating Hunger, Poverty and Malnutrition.***

**1. Food Donations-**

- **Direct Food Contributions:** Company donates excess food to contributing to efforts that alleviate hunger. Our food donation program is designed to provide nutritious meals to underprivileged families, individuals facing financial hardship, and those affected by natural disasters or crises.
- **Financial Support:** Corporation make direct financial donations to hunger-focused organizations such as the Nek Karya Seva Samiti, Seva Bharti Shiksha Samiti or local non-profits that specialize in food distribution.
- **Food Distribution for Cancer Patients:** Company deliver special dietary foods that meet the nutritional needs of cancer patients undergoing treatment, ensuring they receive nourishment during their healing journey.

- 2. Ensuring Ambulance Safety and Providing Critical Support -** The safety of patients during transportation is a fundamental aspect of healthcare, and Highway Infrastructure Limited is committed to improving the standards of ambulance services. We provide essential support for ambulance facilities to ensure patient safety during transport, especially for those in critical conditions.

**3. Ensuring Health Safety for Patients**

Highway Infrastructure Limited recognizes the importance of patient safety and health security, particularly in healthcare settings where individuals are already vulnerable. We are committed to supporting healthcare institutions by providing resources that enhance patient care, health safety, and hygiene practices.
